NEW DEVELOPMENTS IN THE HASKELL TOWN LOT CASES; GOVERNOR HERE

DEFENSE WILL, IT IS SAID PRESENT EVIDENCE TO THE COURT THAT PERMISSION TO EXAMINE RECORDS AT MUSKOGEE HAS BEEN DENIED BY DISTRICT ATTORNEY.

There promise to be some startling developments in the Haskell Muskogee town lot cases which will be taken up by the federal court here tomorrow morning, as according to the defense new evidence has been found which will serve to help convince the court that the indictments brought against the governor and other prominent citizens should be quashed.

It is understood that one of the grand jurors, at the term of court which the indictments were returned was a postmaster at the time and in a New York case a precedent has been established that no federal officer shall be a member of any federal grand jury.

Another point which the defense will raise is the fact that the district attorney is alleged to have given orders that the federal records at Muskogee in which are recorded transac-

tions of town lot cases, shall not be investigated. It is said that attorneys for the defendants have made efforts to examine these records and have been denied admission to them.

The cases will come up the first thing in the morning and the first action that will be taken will be a plea by the defense to have the indictments quashed. In case this motion is overruled it is understood that a plea in abatement will be filed with the court, which if overruled, it is believed the testimony of the witnesses will be heard and the case proceeded with.

The counsel for the defense are of the opinion that if these allegations set forth in regard to a postmaster being a juror and of having been denied permission to examine the records that there can be no case made against their clients and that the same will be thrown out of court.

Governor Haskell arrived this morning and is stopping at the Gilmer, where he will be the guest of Col. W. F. Gilmer until the matter is disposed of. The other defendants in the cases are W. T. Hutchins, Clarence W. Turner, Walter Eaton, Albert Z. English and Frederick B. Sowers. All these gentlemen are from Muskogee and are expected to be present.

Of the counsel for Governor Haskell and the others, Judge Stuart, will be the only one absent, he being confined to his room at Hot Springs, Ark., where he went for his health shortly after leaving Ardmore last week.

The witnesses in the case summoned by the governor and the others arrived at noon today and all are in readiness to take up the matter before Judge Marshall in the morning.

MULLIN AND LEIFELD TODAY

TWO CRACKS WHO PITCHED
OPENER AT PITTSBURG WORK-
ING AT DETROIT TODAY.

ARE USING FOUR UMPIRES

Additional Umpire on Each Fair Line.
Today's Game Last One in Which
Players Will Share Receipts—Re-
ceipts Largest in History.

Detroit, Mich., Oct. 12.—Cold
weather for baseball greeted the en-
thusiasts and players at Bennett
Park today, where the fourth game
of the world's championship series
is being played this afternoon, al-
though the sun shone bright.

Four umpires will be on duty the
rest of the series, two extra umpires
being placed on the foul lines.

Today's game is the last in which
the players will share in the receipts.
The total sum of the four games is
about \$60,000, the largest ever re-
ceived in a similar series. The mon-
ey will be divided, forty and sixty
per cent, it will give each member
of the winning team about \$2,000
each and each member of the losing
team more than \$1,000.

The line-up in today's game is the
same as yesterday, except that Mullin
and Adams, the two cracks who pitch-
ed the opener at Pittsburgh are doing
stint duty for their respective teams.

As the game was called this after-
noon, Manager Clarke of the Pitts-
burg team, changed his mind, and
sent in "Lefty" Leifeld instead of
Adams. He is probably holding this
latter for tomorrow's game at Pitts-
burg.

At the end of the fifth inning the
score stood:
Pittsburg 0 0 0 0 0-0
Detroit 0 2 0 3 0-5

KEY WEST STRUCK BY A HURRICANE

FORCE OF STORM FROM CARIB-
BEAN SEA CENTERED AT
SOUTHERNMOST FLORIDA.

LOSS EXCEEDS TWO MILLION

Although No Lives Are Known to
Have Been Lost, Fear Is Enter-
tained for Residents of Eastern
Coast of Florida.

Key West, Fla., Oct. 12.—With the
city in the hands of the military au-
thorities, who were called on by the
mayor for assistance, efforts are be-
ing concentrated today towards as-
certaining the damage wrought by the
hurricane which swept the Gulf coast
yesterday.

It is estimated that the property
loss in this city and harbor will
reach \$2,000,000. No loss of life is
reported in the city, but it is thought
that the death toll will be heavy
along the eastern coast.

The storm reached its height here
about 1 o'clock, with the wind blow-
ing at a velocity of 100 miles an hour.
The hurricane was the worst Key
West has ever experienced.

Of 100 vessels in the harbor here
when the storm began, but five re-
main. The streets along the water
front today are a mass of wreckage,
brick as well as frame buildings
throughout the city suffered from the
fury of the wind.

Lake reports of damage are being
received from Miami, Tampa, Jack-
sonville and other points on the
Florida coast.

All Danger Has Passed.

Washington, D. C., Oct. 12.—All
danger to the Gulf of Atlantic coast
points from the hurricane, which yester-
day wrecked Key West, Florida,
has passed, according to the weather
bureau today. The disturbance is
now raging with unabated fury north-
easterly along the Gulf stream, toward
the Bermudas.

DOUBTS WISDOM OF LIBEL CASE

JUDGE HEARING "TEDDY'S PET
NEWS SUIT" VOICES HIS VIEWS
—SAYS IT'S POLITICAL.

Indianapolis, Ind., Oct. 11.—That
the so-called "Panama libel case" was
more or less of a political matter,"
was the comment of Judge A. B. Ander-
son, of the United States court of
this district, at the close of argument
today in the case of Charles R. Wil-
liams and Delavan Smith, proprietors
of the Indianapolis News, whom the
government is seeking to remove to
the District of Columbia on the charge
of criminal libel.

The court said that it did not wish
to give an impression that it had
formed an opinion on the merits of
the case, but that it wished to direct
the trend of argument towards fur-
ther enlightenment as to whether or
not there was probable cause for in-
dictment of Messrs. Williams and
Smith by the federal grand jury of
the District of Columbia for criminal
libel.

Youthful Bank Robber Shot Officer

Lawrence, Kan., Oct. 12.—His de-
sire to obtain money with which to
marry a young Lawrence girl, prompt-
ed Earl Bullock, 18 years old, to rob
the State Bank of Eudora, near here,
late yesterday, according to the local
police.

The young woman is being sought
today by the police to learn if she
would tell of Bullock's whereabouts.
No trace has yet been found of the
youthful robber, although a posse of
officers and farmers hunted him since
last night.

Wilson Pringle, a Lawrence offi-
cer, was shot by Bullock last night
in making his escape. Pringle is in
a critical condition and can not live.

Ardmore Folk Are Suburbanites.

B. F. Barnes, a prominent citizen of
Springer, is an Ardmore visitor to-
day. He says Springer is the best
town in the state, has the best school,
the best church building, the most pro-
gressive merchants and farmers and
when the interurban comes he expects
to see the town surpass Ardmore. In
other words Ardmore is to be a su-
perburb town to Springer.

TRAVELING MAN ENDS HIS LIFE

L. J. BINGHAM OF GAINESVILLE
SWALLOWS CARBOLIC ACID
AT HIS HOME THERE.

Gainesville, Texas, Oct. 12.—L. J.
Bingham, traveling salesman for the
Rock Island Plov company, ended
his life at his home on South Mor-
ris street yesterday by swallowing
the contents of a bottle of carbolic
acid. His death is a tragic parallel
to that of W. A. Barclay, who re-
sided in the same house last year,
living at the same place, both be-
ing traveling salesmen and their
deaths attributable to the same cause.

Ira Coffee, a former citizen of this
